ART-UNIT: 3624

PRIMARY-EXAMINER: Weisberger; Rick

ATTY-AGENT-FIRM: Hunton & Williams LLP

ABSTRACT:

A method of providing a user with education financing information, includes the

acts of: maintaining an electronic site on a computer network to which the user may connect; sending data to the user over the network for presenting at least one electronic screen which contains financial award information concerning a potential student of an educational institution, the financial award information including a monetary award which may be used for the student to attend the educational institution; and sending data to the user over the network when requested for presenting at least one electronic screen which contains cost projection information, the cost projection information being a function of the award and including an amount of money required for the student to attend the educational institution.
